## A Note from tD U

### GETTING THE ORDER CORRECT!

It is amazing how one small change can have such a dramatic effect. Recently we took our van in for service, at which time our transmission oil pan was removed and replaced to service the transmission. Upon replacing the pan a standard gasket (rubber thing) was put back on the pan. The result: leakage when we got home! After further review it was discovered that the

ic type of rubber work and would ultimately lead to catastrophic failure.

@ too often that God lays it out for us and did so from the beginning. God provides boundaries for us; limits; direction. It is up to us to respond with gratitude and humility. The church reminds us of that. First, we are to love God with all of our heart, soul and might. That means that the *effort* we put forth in our lives should reflect our best and not just in our jobs or in our hobbies. Our effort should reflect more than what might fit into our schedule or be convenient. Second, we are to have no other Gods! When sports, hobbies, or other things start to interfere with our worship and service, it is sinful. Sorry, there is no other way to say it! The most important thing is to be aware of what we are

embrace the grace that God offers freely to us. *This is the order that is correct!*

It pains God to see us on a path of catastrophic failure. When expectations we find a peace that is beyond our understanding even in the midst of our greatest struggles.

O correct is important! God first! That starts with worship and ends in heartfelt gratitude in service. We invite you and encourage you to worship regularly and to serve with gratitude the one who has and does first serve you.

Peace in Christ & See you in Worship!

Pastor Andrea & Pastor

SUMMER WORSHIP TIMES ARE SUNDAY 9 AM AND WEDNESDAY 7PM!

## Church Picnic

### SUNDAY, AUGUST 30<sup>TH</sup>!!!

This year our picnic will have a mission focus and be open to the general public! Proceeds from this fundraiser will go to help Lutheran Campus Ministry, pay our benevolence to the synod and boost our budget a bit since we are currently at a deficit. This will require the people of St. John to step up and join the picnic team! We will need a minimum of 28 people to run this event or the picnic will be canceled this year. Sign-up in narthex or call the office at 336-1082. Thanks in advance for your dedication to this ministry!

We would like to extend a sincere "Thank You" for all your prayers and support over the last 5 months for Doris. We truly appreciate the memorial contributions, flowers, cards and support of the funeral luncheon. Her celebration of life on May 21, 2009 would have made her proud and our St. John family was there to help and be a part of that day. She will truly be missed by all.

Thank you and God Bless,

The Family of Doris Caroline Boncher

event in March. Representatives from each grade, (Madeline Buckley-6th, Evan Cain-7th and Melissa Hrdlicka-8th) worked with Treena Schepp of Tree House Designs to design the logo. Special thanks to Treena, a St. John member, for volunteering her time and expertise to come up with a logo everyone is proud of.
